HE CAME AMONG US

He gave a happy greeting to welcoming crowds in 1962 as Press Editor Louis B. Seltzer attends

John Fitzgerald Kennedy's life and purpose will go down in the annals of time as an inspiration to the peoples of the world. He was a spark of light in a very dark world—surely no country ever faced more gigantic problems than ours in the last few years, and surely no one could have been a more able leader in those times of crisis than was he. His deep faith in the American ideals was his strength in the battle *against tyranny, poverty, disease, and war itself*. He unselfishly accepted the grave responsibilities imposed on him as President. This man possessed the qualities of greatness. His youthful vigor appealed to *the young in heart, the stout in spirit*. He was willing *to pay any price, bear any burden, meet any hardship*. The price he paid was a high one, yet he died for his country and for the freedom of man—*knowing that here on earth, God's work was truly his own*. Now his work must be taken up by the *heirs of that first revolution,* for the *torch has been passed to a new generation of Americans*. Together we must *explore the stars, conquer the deserts, and encourage the arts and commerce*. In our hands *will rest the final success or failure of our course*. Let us not fail to heed his call, as the Trumpet Summons Us to a New Frontier.

AND SO, *My Fellow Americans—Ask Not What Your Country Can Do for You; Ask What You Can Do for Your Country.*

INAUGURAL ADDRESS
January 20, 1961

HE SPOKE TO US

THE TRUMPET SUMMONS

We stand today on the edge of a New Frontier . . . a frontier of unknown opportunities and perils . . . a frontier of unfulfilled hopes and threats. The times demand invention, innovation, imagination, decision. I am asking each of you to be new pioneers on the New Frontier. My call is to the young in heart, the stout in spirit. This call resounds in the halls of LHS, as we are confronted with new frontiers in education. Sound minds and sound bodies, made possible through a highly trained faculty and the most modern facilities, are prime requisites in meeting this challenge. Our goal is to carry forward ideas created in President Kennedy's New Frontier, so that we may better understand the world in which we live.

Dear Miss McTaggart:

Thank you very much for your letter of March 24th requesting permission to use some pictures and direct quotations of President Kennedy in your yearbook.

The President had a special fondness for young people and I know of no better tribute that Lakewood High School could pay to him.

My family and I thank you for wishing to honor the President in this manner and I hope it will be possible for you to send me a copy of your yearbook for the John F. Kennedy Memorial Library at Harvard.

My best wishes to you.

Sincerely,

Robert F. Kennedy

United Nations: Symbol of peace for all peoples

Lakewood is on the threshold of the world. The importance of acquainting ourselves with the peoples of the world and their cultures is an integral part of our modern education system. With our accumulated knowledge, *we must ask not what America can do for the world, but what together we can do for the freedom of man.* This generation must, therefore, unite with one another, for *united, there is little we cannot do in a host of new cooperative ventures.*

SCENES *of typical school life appear at the crowded bookroom and at staircases used for quick studying. Various times during the day, students congregate in the L-Room to relax and talk. Student Council

Aims for Cooperation, Progress

Meeting the challenge of self-government, Student Council, headed by the Executive Council and advised by Miss Cope, promoted student-faculty cooperation and provided an opportunity for students to express personal opinions. Student Council funds were used to sponsor the AFS student, school parties and dances, class field trips, buses to away-games, and the purchase of an activities bulletin board. Because of Student Council's successful efforts in a cafeteria clean-up campaign, the facility remained under the supervision of students.

Social Council Promotes All-School Festivity

Social Council has successfully completed its second year of existence. Under the valuable guidance of Mrs. Bachman, Social Council has provided better planned, and thus, better attended school parties. The fall "Hootenanny Haunt" combined folk singing, square dancing, and ghost hunting. "Winter Whirl" took party-goers on an ocean cruise and visits to foreign countries. A "Roaring Twenties" theme sparked gay romance, Charleston, Big Apple, and Black Bottom at the annual spring Twirp dance.

The annual semi-formal football dance commenced promptly at 8:30 o'clock Thanksgiving evening. Students danced in a world of fantasy until 10 o'clock. In keeping with tradition, candidates and their dates began the procession by filing up to their respective places near the throne. David Morgenthaler, master of ceremonies, opened the envelope and read the name of the new queen, Susie Webster. Attendants were Evelyn Tkach, Judy Folberth, Ann Maxwell, and Joyce Daniels.

Cheerleaders
Spur Team Spirit and Support

Leading the crowd and boosting team spirit are the tasks of cheerleaders. Daily practice sessions, supervised by Miss Kleinecke, insure well-coordinated routines. Junior varsity try-outs are held in the spring for sophomore girls who have attended the required number of practice sessions. A new policy begun this year requires juniors to try out again for the varsity squad.

Boosters, Majorettes Assist in Lifting School Spirit

Boosters, under the direction of Student Council, give support to the cheerleaders to bolster school morale and team spirit at the football and basketball games. During the football games, the majorettes entertain at halftime with their lively routines. Tryouts for majorettes, conducted in the spring by Mr. Strang, emphasize timing, rhythm, expression, and coordination.

Hi-Y Combines Service, Pleasure at Meetings

Affiliated with the YMCA and the school, Hi-Y is a nationwide club for boys of high school age. Through Hi-Y, these young men have been initiated into the adult activities of the "Y." Lakewood has three chapters divided by grade levels. Each chapter has made a pledge to the "Y" building fund for which they have held various fund raising activities. Car washes and the annual Christmas tree sale have kept the boys busy. Introducing Hi-Y'ers to community life is another important aspect of the program. Co-sponsoring a carnival with the adult group, the boys added still more to the building fund. They also assisted the adults in initiating activities in the new gym. A high point in this year's activities was the inter-racial dinner, sponsored by the senior chapter, and held with Glenville High School.

Friendship girls raise funds for their chapter by selling refreshments and programs at games

Friendship Celebrates Fiftieth Anniversary

Participation in school and community affairs provided a varied program for Friendship. To fulfill the "Y" Building Fund pledge, members operated a cakewalk and bake sale at the "Y" Carnival. Several chapters gave parties for the less privileged. The main social activities were "Midnight in Moscow" dance, and Pa-Ma-Me dessert.

Kicking off the year with a chorus line of "Friendship Follies," the seniors rally new members with song and salesmanship

L-Room
Adds Special Touch to Social Life

Planned, operated, and maintained by students, the L-Room offers warm friendly surroundings for parties, dances, special club meetings, or after-school gabfests. Staff members volunteer their services to manage the snackbar after school and at evening social affairs. Mrs. Bachman is always ready to offer suggestions to clubs for parties. New snackbar furniture and recovered couches, paid for by Student Council, helped to glamorize the popular room.

The initial program this year was the presentation of the views on college of four college sophomores returning to their alma mater. At another meeting Sue Cergol demonstrated various types of songs on her accordion. The topic "Twist or No" was presented along with a humorous reading in a program presented by the Debate team. At still another meeting the club was favored with a showing of Miss Hutcheson's slides as an exchange teacher to Ireland.

RECOGNITION *of individual achievement in interscholastic sports is the purpose of the "L" Club, whose members contribute to the yearly success of many of Lakewood's teams. Ranger Bill Brand brings down the elusive Raider quarterback

Lakewood Wins Six; Places Second in LEL Rivalry

Starting the season by trouncing Cuyahoga Falls, the LHS varsity fought its way to a second in the Lake Erie League competition. Their first loss came in the second game of the season to a highly rated Rhodes team. Rallying, they swept the next two, one from a tough Forge team. Their second loss in the year came from the hands of an underdog Brush team. However, they then won the next four games of the race: they romped over last-place Shaker; beat Parma, always a formidable foe; even with seven lettermen benched, they pulled out a victory over first-place Shaw, putting both teams into a first-place tie; and then beat Cleveland Heights in a pouring rain. Euclid continued to hex the Rangers with a last game victory that dropped Lakewood to second place.

Jayvees Clash With Formidable League Opposition

Battling with the aches and bruises of an initial season, the JV football team carried the Purple and Gold to a season record of 3-7-0, ranking 3-4-0 in the Lake Erie League circuit. The sought-for winning combination of defense and offense clicked during mid-season when the junior gridders scored three quick victories over Brush, Parma, and Cleveland Heights. The tangle with Heights proved to be the triumph of the season when the previously undefeated Tiger squad was shut out 20-0 by the exuberant Rangers. Solid experience gained from opening contests projected concluding games into a series of thrillers. Guided by the capable quarterbacking of John Parrish and the outstanding sprints of Brad Storm, Jim Betonte, John Shami, and Dave Boyd, JV football experience mirrored the future varsity hopes.

Lakewood Is LEL Co-Champ; Shaw Shares Title

The varsity basketball team captured another LEL co-championship under new head coach John Piper. The Rangers compiled a 17-3 overall record. The Lakewood cagers revenged their two regular season losses to Valley Forge and Shaw the second time around, the latter marking the co-championship. Tournament-bound, the Rangers defeated Rocky River, but were then turned back by West High. This year's team rewrote the record book as more foul shots were made in the regular and total season. Jim Rector did some rewriting, as he topped the previous foul shot record. He also was All-Scholastic, a PresStar, and on the Plain Dealer "Dream Five" team, which Ken Conry also merited. Art Stehlik gained the Berea Sectional All-Tourney and the All-LEL second teams.

Junior Varsity Basketball Triumphs in 12 Out of 18 Games

Ending the season with a 12-6 record, the Junior Varsity basketball team gained the valuable experience needed for varsity action next year. Under Mr. Boyer, new head coach, the team demonstrated their ability to handle themselves on the basketball court. The jayvee cagers were led this year by playmaker junior Bob Mast, who had the highest percentage of shots from the floor. Bob Mills, junior center, pulled down the most rebounds. Leading the team in foul shooting was sophomore Dave Strang. Among the sophomores, Tom Malling had the highest percentage from the outside, while Dave Hogg was right behind Mills in rebounding. The LEL was very strong this year, as many of the teams were evenly matched. All the jayvee games were well fought, even though the final score may not have been in Lakewood's favor. Mr. Boyer did an excellent job during his first year teaching the boys both fundamental and advanced principles that help the boys progress.

Swimmers Splash as LEL Champs

Handicapped by the renovation of the pool, the swimming team started training by running track for six weeks. Back in the water, the team, captained by Jim Crawford and Jack Geisman, maintained its rigorous training schedule. In a brilliant season, the Rangers copped the LEL championship with 12 wins and 1 loss. Scarcely stopping for breath, the mermen grabbed second place in the Euclid Relays and fourth place in the Kent State Relays. Finishing first in the LEL meet, the team made a fine showing in individual standings. Scoring well were divers Joe Ward and Bill Hudson. Supplying points to spark team effort was the freestyle relay team of Hunter, Sloane, Crawford, and Geisman. High point man and winner of the Feldner Award was Bruce Lamb.

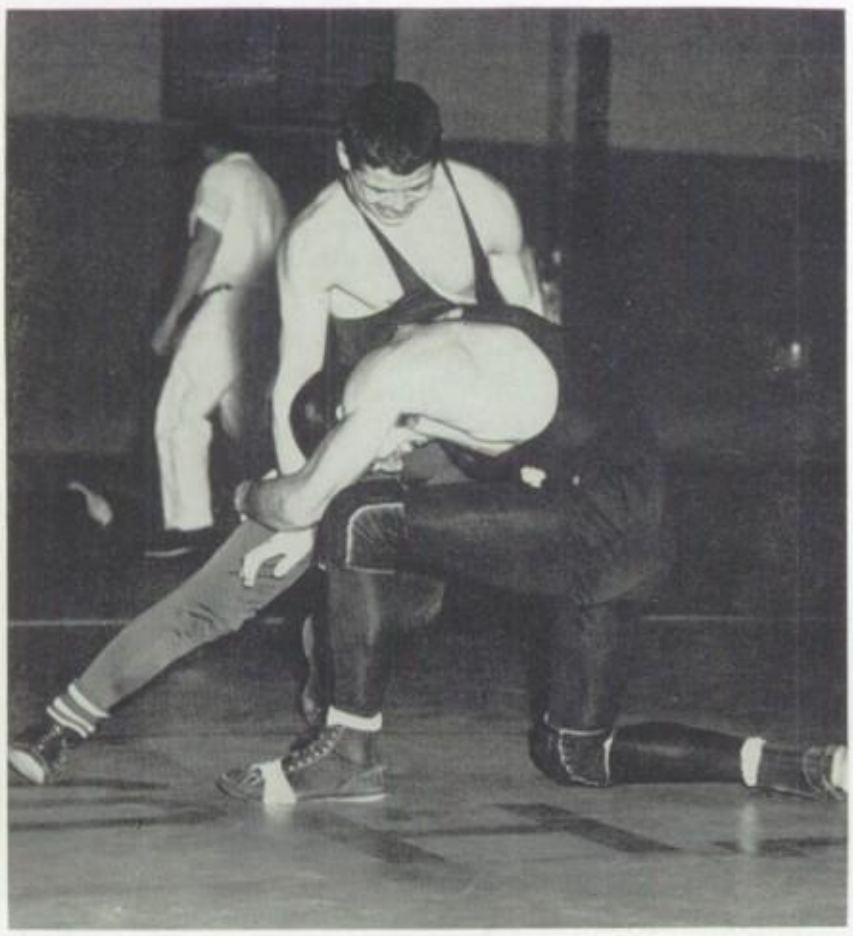
Wrestlers Wrangle to 4-7 Record



Ken Lambert attempts a takedown with a neck-breaking hold

On the record books, this season's wrestling team had a losing season. However, four of the meets were lost by one or two points, and a majority depended upon the outcome of the final match. The highlight of the season was the near upset of the state-champion Maple Heights squad. Outstanding during the regular season were four seniors: Frank Zemberi (8-3), Ken Lambert (5-2), Bob DeSanto (9-2), and Scott McKendry, who wrestled an unbeaten season with a 10-0 record. Of these four grapplers, only Bob DeSanto made it to the state meet in Columbus. Weighing in at 138 pounds, he won the first two matches and lost the next two, unofficially placing him fifth in the state. Clearly the biggest surprise of the season was Bob Leonard, who entered the district meet with a mediocre record and came out undefeated. He lost the first round at Columbus, however. The Lakewood grapplers under Coach Salzbrenner ended the season with a 4-7 record.

Tumblers Enjoy Best Season

This year's tumbling team, composed of boys from the three grades, was described by Mr. Harwood as being one of the school's finest. All the members did outstanding work during the before-school and sixth-period sessions. They concentrated on balance, coordination, and control of the muscles through working with Lakewood High's fine apparatus. Parallel bars, horse, rings, trampoline and unicycle were utilized in this voluntary program. Exercises and stunts without equipment also contributed to satisfying national impetus to emphasize general physical fitness. Various Ranger basketball games featured performances of the gymnasts at halftime shows. Spring engagements of the team included a meet with Rocky River and a demonstration on tumbling at a meeting of the Friendship Club.

Balance is the key to doing these difficult stunts, with unicycles helping to increase team's familiarity with tumbling techniques

Ranger hurdlers Bill Krejci, Tom Christie, and Del Rodgers show the form which will help the team in gaining another victory

With a fast-paced season, the indoor track team made seven wins and dropped only one to East Tech. Dan Lyon, senior quarter-miler, placed first consistently. Breaking the LHS indoor mile record by four seconds, junior Doug Ford is a promising distance runner. Captain Tom Christie gained team points on both the hurdles and high jump. In the Knights of Columbus Meet at the Arena, the two-mile relay team of Doug Ford, Bob Wayland, Gary Petzinger, and Trey Rainey took fourth place. At the City Indoor Meet, the team placed second in the LEL division, defeated by Euclid. First place in the shotput was captured by Rick Gosson and Bob Smith in the Huron Relays in Michigan.

Spikers Savor Field Variety

Due to the number of accidents this year, the outdoor trackmen finished with a disappointing 2-5 LEL record. Their two wins were against Shaw and Parma. Although the spikers lacked dashmen, they had an excellent field event record, which helped them take first in the Sandusky Relay. Coach Antel sent three boys to the state finals: Alex Jamieson, distance; Tim Evans, shoput; and Bob Smith, discus. The co-captains this year were Bob Eggers, pole vault, devoted to winning events, and Joe Meyers, hurdles, seated by injuries. Coach Antel is eagerly awaiting a bigger and better season next year. Piloting the team in '64 will be Tom Christie, hurdles, high jump, quarter-mile. Carrying much of the load next year will be returning cindermen Trey Rainey, Gary Petzinger, and Dan Lyon. Bob Smith, Doug Ford, Rich Gosson, and George McKay also look promising for next year.

Ending the year in third place in the LEL Individual Meet, Lakewood's cross country team tied for fourth in over-all standings. Captain Gary Petzinger and Doug Ford led, snaring eighth and fifth places, respectively. In dual meets, Rangers posted a 2-5 record which yielded a sixth place. At the Brush Relays, the varsity runners took the fifth spot as the junior varsity, led by George McKay, topped all opposition. In the District Meet, although not qualifying for the State, the Rangers, coached by Mr. Brown, made a good showing by placing fifth in front of three LEL teams who had defeated them in league meets. The outlook is promising for next year's team as nearly half of the lettermen will be returning

Netmen Volley to Fifth in LEL

Led by captain and first singles Jim Griffin, the Ranger netmen were unsuccessful in defending their LEL title by ending the season with a 3-4 match record. The team was composed of second singles Rich Herrick, third singles Denny Rudd, first doubles Ray Mallinak and Nick Kozimor, second doubles Bruce Doll and Dave Rothgery, and alternate Rich Posladek. The ball did not bounce on the right side of the net for the Rangers, as the Euclid, Parma, and Cleveland Heights matches went down to the last man and point. Mr. Salzbrenner guided the boys to victories over Valley Forge, Shaker, and Parma. Shaw became the LEL co-champs along with Cleveland Heights. The netmen beat Shaker 5-0, providing the first point toward the Victory Bell. Rich Herrick, who had a 6-1 record for the season, was voted as outstanding player by the members of the team.

Batsmen Wind Up Seventh in LEL

Lakewood's varsity baseball team finished the season with a 13-13 overall standing, placing seventh in the LEL with a 5-9 mark. Parma stopped the team in two out of three district games. In the first LEL contest, Brush halted Lakewood 1-0 in extra innings. The team lost the next five; one loss being to Shaw, 8-7, by virtue of four errors permitting several runs. The batsmen then beat Cleveland Heights, 5-2, but dropped the next three games. Finishing with a flourish, the Rangers took the last four games from Parma, Shaw, Cleveland Heights, and Euclid. Bill Heyd was voted most valuable player and Art Stehlik was named best defenseive player. The junior varsity team finished with a 3-6 tally.

Golf Team Tees Off

The 1963 golf team completed its season with a 5-8 standing overall and a 2-5 standing in LEL competition. The two victories were a shutout over Shaw and a very close match with Euclid. The three top men on the team were John Grubb, sporting an average of 80.2, John Haas with an 84.9, and Bill Brown with an 87. The highlight of the season for the golfers was their second-place rating at the district meet, only two strokes behind the triumphant Bereans. John Grubb, elected to serve as next year's team captain, led the Lakewoodites at that meet with a score of 77.

Swimming Timers Officially Clock Ranger Mermen

Swimming Timers, under the student direction of senior Tessa Abineri, play an important role in the smooth functioning of home swim meets. Their responsibilities include officially clocking all visiting and Lakewood mermen. Several girls work on each lane to insure that the times obtained are as accurate as possible. Exactness is always stressed as their watches are started with the gun and stopped as the swimmer touches the wall. Twelve girls participated in the group's duties.

Spirit of Olympics Prevails in Leaders' Activities

Leaders wrap gifts for children's home

Putting clothes on as fast as possible brought many laughs at Leaders' party

Olympic games had an added significance for the members of Leaders Club this year as they based their program on these winter and summer events. A talk by athletic star Eleanor Montgomery and a Winter Olympic party headed the activity slate. Raising money through booths at the all-school party, they also donated to the Olympic fund sending American athletes abroad. At Lakewood, Leaders, under the guidance of Miss Kleinecke, play a vital role in the functioning of the physical education department. During gym classes, they make daily announcements, take attendance, and then "man" the office. After earning their white gym suits by attending early-morning training sessions, club members can prove themselves by serving as class team captains, helping with equipment, and leading exercises.

Athletic Board Forms Nucleus of Girls' Intramural Sports Program

Organizing the intramural program is the function of the Athletic Board, advised by Miss Donley. One or two managers for each sport, a costume mistress, and two point-secretaries compose the group. For each sport season they set up the tournament and officials' schedules, keep accurate records of points, and in general run the sport. The girls, chosen by the preceding Board and the physical education teachers, must be dependable, for their duties entail precise record-keeping and being at many meetings and games. Promoting enthusiasm among Lakewood girls is another vital task so that the intramural sports program will be of value to the greatest number of girls.

All Girls During First Semester

Intramurals encourage competitive drive in the comprehensive girls' sports program offered to all Lakewood girls. In rugged, fast-moving sports, such as hockey and basketball, homeroom rivalry develops in round-robin tournaments held during the first semester. In gymnastics, agility and timing are basic requirements leading to skill on apparatus equipment. In archery, a cool head and careful stance yield excellence without the sustained effort of other sports. In tennis, speed, proper aim, and active footwork make champions as girls compete within their grade for class titles.

Second Semester
Yields Relaxation, Fitness, Points

Girls' intramurals provide fun, physical fitness, and an opportunity to earn points toward athletic awards. Second semester sports are no exception. Volleyball heads the list of sports in late winter. Drills in class on serving, setting up, and spiking prepare girls for homeroom competition. In table tennis, quickness and control yield class titles while in bowling, wrist action becomes the most important factor in determining good and bad games. In the spring softball provides outdoor activity for team sport enthusiasts. Pitching, fielding, and batting are all complex skills practiced in class to prepare for after-school games. In golf, a slower, more precise sport, girls strive to achieve individual prowess and the school championship. In badminton, a sport requiring speed and agility, elimination tournaments host a large turn-out.

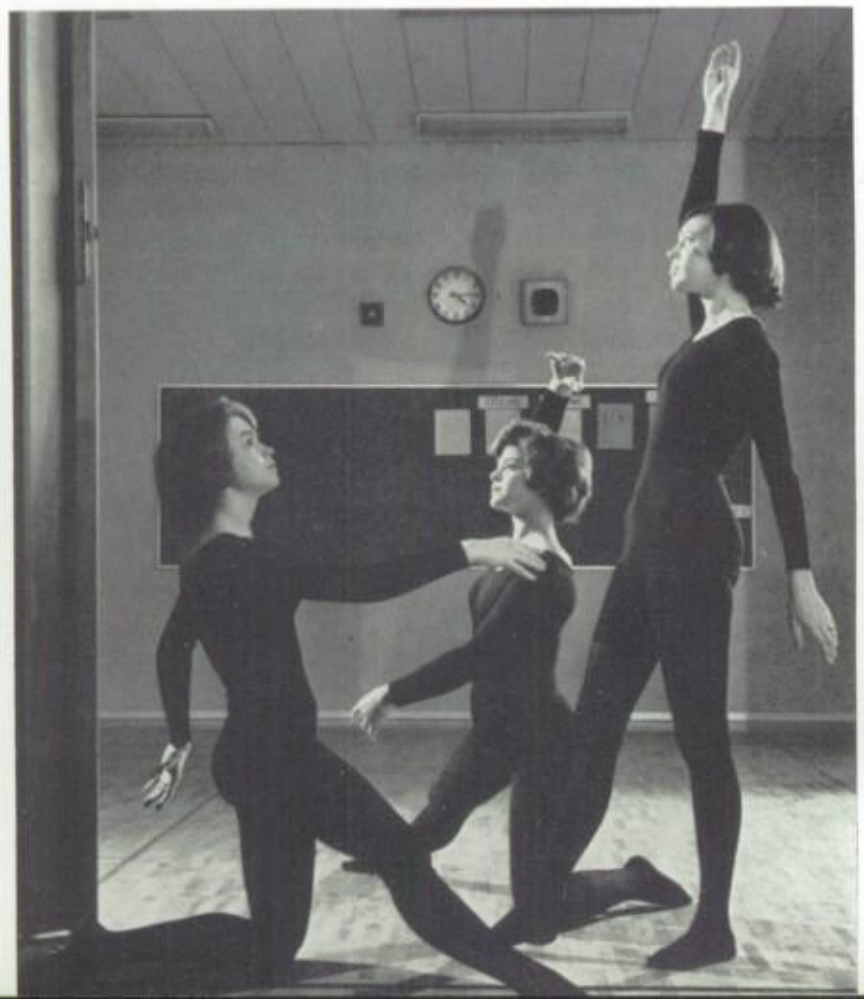
Modern Dancers Present Minor Show to 9th Graders



With gracefully outstretched arms, modern dancers convey a dramatic mood at rehearsal

Modern dancers, under Mrs. Schindler's guidance, learn to interpret emotions and moods through graceful body movements. This year, with no major show, they presented a program to upcoming tenth graders at the Leaders' playday. Annual tryouts were held in February following several practice sessions. Girls were then selected on the basis of their ability in basic exercises and routines, their rhythm, and their imagination in a simple original composition. All through the year, old dance patterns were reviewed and new ones learned as they began plans for next year's show.

In Journey Over Land by Water

"Over Land by Water," the theme of this year's biennial Tankateers Show, combined with such stunts as the "Catalina," "flamingo," and "Eiffel Tower" into synchronized swimming routines. The forty Tank members, directed by Miss Clark, planned their own performances and costumes to represent twelve of the states in the Union, divided into eastern and western loops. Highlighting their program, presented May 15 and 16, were the senior Indian War Dance and the finale performed by candlelight. To qualify for Tankateer membership, girls must successfully pass tests on endurance, simple stunts, and basic strokes to prove ability.

Outstanding Athletes Vie for Awards, All-Star Honors

Climaxing the intramural sports seasons are the athletic awards and All-Star competition. Girls earn awards by accumulating points for managing the various sports, participating in the after-school program, and officiating at games. A girl wins a Shield Award by obtaining 300 points and an L-Pin for 600. The Medal, the highest award, requires a total of 900 points. All-Star games are the high points of the team sport seasons. The most outstanding individuals of the sport are selected by players, captains, and officials to participate in the Black-and-Blue hockey game, the Yale-Harvard basketball game, the Purple-Gold volleyball game, and the Hit-Run softball game.

In Memoriam

Charles S. Huffman

The voice is stilled and the loss is great. Countless alumni since 1925 vividly recall Mr. Huffman's zest for and devotion to teaching American history and economics. Even after his retirement in 1958, he continued to bring his contagious smile, good humor and memorable anecdotes to LHS as a substitute teacher. His life was an inspiration to all who were privileged to know him.

Classmates enter the building at the Civic Auditorium side door which is one of numerous entrances used going to and from the school

CLASSMATES *travel to school to contend with prospective challenges of the nine-period day. During homeroom period they are offered time to assemble thoughts and finish last-minute business. When classes are over, extracurricular activities such as clubs and social groups terminate the school day for a considerable number of students.*

SENIORS

enjoy their free hours relaxing
before and after school in the
L-Room, cheering the Rangers
on to victory, playing
in jam sessions, or battling wits on
quiz programs.

Especially crowded by socializing seniors during the lunch hours

A touch of Lakewood excitement charges Kiran Mandla as she witnesses thrilling football play against Euclid

and after school, the exclusive L-Room senior circle offers an atmosphere of relaxation following hours of application to studies

Matching wits with Euclid in KYW's Varsity Bowl are Alnis Grants, Debbie Ewing, Janis Ford, and John Dorsch

Jam sessions relax seniors with similar music know-how

EVERY SENIOR REALIZES *the significance of graduation . . . the termination of one phase of education . . . the clarion call of new frontiers.*

Crossing over the threshold into tomorrow, seniors shall not pass this way again

THE TRUMPET SUMMONS US TO A NEW FRONTIER

Our American free enterprise system is well-exemplified by the success of the businessmen in Lakewood. We are proud of their cooperation with the high school.

Lakewood YMCA-YWCA

HIGH SCHOOL STUDENTS *have been provided with excellent facilities for the Y-Teen and Hi-Y organizations, swimming, basketball, and gymnastics at the "Y." Special events there included dances, the Senior "Nite" party, and the New Year's Eve party.*

We hope you will remember the good times at the Lakewood "Y."

Best wishes to the class of '64!

AU REVOIR RE:VERSE

The staff and advisers do hope all of you
Enjoyed this, our CINEMA, *all the way through.*

This page is here now so that all of you know
That these were the people that made your book go!

Miss Gertrude McTaggart, one day in the spring,
Had news that gave all of us reason to sing.

The Gold Key Award, highest sign of success,
Brought her national honor from Columbia Press.

As CINEMA *adviser, she has the right touch;*
For all of her guidance, we thank her so much.

The head of our business, Mr. Platt balanced books
To meet with the auditor's questioning looks.

Mr. Yoder did counsel the ad-getting section
By giving his staff the most prudent direction.

Coeditor Claudia planned all Benson days;
Her sense of good timing never ceased to amaze.

Coeditor Griffin learned so much in one year!
He really was tops, making orders so clear.

Associate Barb struggled long with the dummy;
Especially with Sports, she felt really chummy.

'Twas Mike Kalinowski, the Social Life man,
Who went to all parties for each picture plan.

His helper was Andrea, 'though much on the go,
They both had their thumbs in many a show!

'Twas Kathy, composing the whole classroom section,
Who met every deadline and wrote to perfection.

Keeping track of the teachers filled M. Preyer's days,
But mounting their pictures put her mind in a haze.

Nan Myers and Sue picked up pieces of Clubs,
And when they got through, they were no longer cubs.

On Homerooms, Lynn Pastis teamed up with Daneen,
Through hundreds of names they worked, always serene.

The Girls' Sports section was Joyce Mobley's own;
That girls are good sports, she surely has shown.

The Boys' Sports section was given Dave Bayley;
"Oh, where are you, Dave?" was our cry to him daily.

Senior pictures were sorted by Miss Nancy Reed;
As Linda matched hist'ries, they worked with great speed.

In the Index is listed just about the whole school;
Kay Boneburg found out that it all goes by rule.

'Though sophomore Ruffner came to us late;
As Index assistant, he really did rate.

Carol Heimbach deserted both study and play,
To type up our copy before deadline day.

Photographer Al took his pictures quite well,
And caught Benson's camera as soon as it fell.

An expert, John Scerba, of school's darkroom staff,
Added many developments just to see us all laugh.

In keeping the books, Jeff was a real honey,
He kept business moving as we spent the money.

While Susie and Joe worked to keep records right,
Kay Hunter typed up all the business in sight.

Pat Jones did her best to sell advertising,
And Sharon's success was really surprising.

Jackie McDowell then lined up some more,
And Jeff with friend Dan made sales really soar.

Russ Benson, photographer, is our superman,
Who helps us with pictures and dummy and plan.

For beautiful portraits, the seniors all run,
In the bright month of August, to Fred Harrington.

Downstairs in our printshop, we have Mr. Childers;
He prints what we mean 'though our copy bewilders.

Mr. Telfer helps solve many problems of space;
The print has to fit, every line in its place.

We sent all our pictures to Circle and Ace;
In engraving our orders, they had a fast pace.

To compose all the pages, we call Electric Printing;
To give us page proofs keeps Mr. Schuttenberg sprinting.

The Bindery, Forest City, then sewed up this tome,
And put on Smith's covers and sent it back home.

We want you to treasure this memory book,
So take it and keep it for many a look.

Carlos —
Your a real crazy
kid. You've got a lot
on the ball and you're
able to do quite alot when
you want to, but you loaf too much.
Work hard and you'll go far. I hope
you take basketball seriously, because
you do have alot of potential and by next
year you could do plenty. I've had alot of fun this year
and I've really enjoyed coming to class this year
just for the laughs you gave everyone.
Your a good person and alot of fun.
